CHINESE WATERCOLOR EXHIBITION

The Chinese Watercolor Exhibition, which was held in May, was a very lovely way for spring to begin. The students of Zhe-Zhou Jiang displayed over 50 works, with a wonderful reception to kick it off. Ann Macready's work for that reception was one of her best. The artists exhibiting were:

Ellen Barnett, Dorothy Goldman, Norma Griffith, Cynthia Kuan Guilhamet, Ying Jing, Ellen Levy, Jo D. Malessa, Jane O'Donnell, Pat Poletti, Bea Sossich and Irvane Spracklin.

We needed more members of the Center to attend that reception. In a perfect world, we would have had many members/artists there, but I guess this world isn't perfect! Let us try, as a membership, to come to receptions whether or not we have any artwork in the show. Artists have only family and other artists to support one another, so let's try to be there for our colleagues.

Member News & Other Good Stuff

Remember that we can't print your news if we do not know about it. Fax it to the center, e-mail it, drop it off at the gallery or better yet, e-mail it directly to cfasnj@yahoo.com. It's that easy!

EXPLANATION OF THEME EXHIBIT “HOT AUGUST NIGHTS”

This is a multi-media exhibit with the theme encompassing anything having to do with the summer heat. Do not over think these theme exhibits. We have them in our yearly exhibition schedule because they are fun and artists who would not ordinarily enter their work in a juried show, get a chance to exhibit them here.
